

Probationary Period

For your first twelve times of shooting at Newhaven Archery Club you must have a Committee Member and/or experienced archer present and they will then sign your probation slip (on reverse). After you have completed twelve probationary shoots and minimum three months as a club member you will be entitled to a target shed key for a £5 returnable deposit.

To start with it is advisable to attend club nights (Fridays) from 6pm as this is the time of the week when committee members and other experienced archers are likely to be present. Once you get to know other members you can liaise with them when they are going to be at the field at other times.
